

Furniture moving system

EFFORTLESS LIFTING AND MOVING OF AWKWARD LOADS

SC1800

SC600

SC1800

Ideal for lifting and moving...

- Small machine tools.
- Heavy domestic appliances -
cookers, fridges/freezers,
washing machines, etc.
- Large packing cases.
- Safes / Metal cabinets.
- Vending / Amusement machines.
- Computer equipment.
- Shop display stands.
- Heavy office cabinets, desks, etc.

Model SC600

Capacity - 600kgs per pair.
Manual operation.

Model SC1800

Capacity - 1800kgs per pair.
Hydraulic operation.

Easy to use. Simply place 1 unit at each end of the load, raise the load off the floor, secure the unit connecting straps and move away.

Non-marking polyurethane wheels can be used on all surfaces including carpets.

All wheels swivel for precise movement and positioning.
