- Industrial Facilities
- Industrial Legacy Sites
- Processing Plants
- Brownfield Sites
- Tank Cleaning
- De-gassing
- Cold Cutting

Temporary Power

- Silent Generator Hire
- Sale & Installation UK wide
- LED Lighting Towers
- Distribution & Ancillary Equipment
- Fuel Management
- Remote Monitoring
- Secure Containers
- Emergency Response

Heavy Plant Hire

- Hire of Operated Heavy Machinery
- 8 to 87 Tonne
- Long Reach & Deep Dig
- Low-loader Transport for Over 100 Tonnes
- Machinery Modification to Suit Applications
- Low Emission Engines
- Delivery to Site

Tool Hire

- Construction Plant & Equipment
- Access, Air Tools, Welders, Surveys
- Building, Maintenance, Telehandlers
- Compressors, Cutting, Drilling
- Lighting, Heating, Cooling, Electrical
- Dumpers, Rollers, Skidsteers, Pumps

Asbestos Management

- Asbestos Inspection & Testing
- UKAS Accredited Services
- Site Surveys, Bulk Sampling & Analysis
- Asbestos Air Monitoring
- Asbestos in Soils
- Project Management & Site Supervision
- UKATA Accredited Training Provider Cat A & B
